

Georgia Performance Standards (GPS) Teacher Training 2009-2010

The following courses will be conducted through the Educational Technology Centers in GA:

Assessing for Mathematics EOCT Success (Please Make Note of the Listed Exceptions)

This one day training session is built around the Mathematics I EOCT released items. Mathematics I and II teachers will be able to discuss and model the construction of test items, use Depth of Knowledge (DOK) in daily planning, and analyze results that will impact instruction in Tier 1 general classes and Tier 2 Mathematics Support classes.

Audience: Mathematics I and II Teachers

<u>Date</u>	<u>Location</u>

January 28	Educational Technology Centers in GA (<i>Except First District</i>)

Teaching Grammar Through Literacy

This one day course will offer strategies on how to integrate grammar instruction in the classroom. Teachers will integrate grammar instruction through the use of novels, focusing on how authors purposefully use grammatical structures to show style, voice, and diction in their writing. The workshop will include sample lessons as well as the opportunity for the participants to create additional lessons.

Audience: Middle School ELA Teachers

<u>Date</u>	<u>Location</u>
October 13	Educational Technology Centers in GA
October 14	Educational Technology Centers in GA
October 20	GaDOE Training Center in Atlanta (Room D)
October 21	GaDOE Training Center in Atlanta (Room D)

Georgia Performance Standards (GPS) Teacher Training 2009-2010

Using Lexiles to Create Differentiated Lessons

This one day course will demonstrate how to create differentiated lessons in all content areas through the use of Lexiles. The focus will include connecting a Lexile to reading text and using the information obtained to enhance writing and speaking. The course will focus on how Lexiles can support the content area Georgia Performance Standards and the knowledge that students must have to understand the standards. The workshop will include sample lessons as well as the opportunity for the participants to create additional lessons with Lexiles.

Audience: High School Content Area Teachers

<u>Date</u>	<u>Location</u>
January 19	Educational Technology Centers in GA
January 20	Educational Technology Centers in GA
February 4	GaDOE Training Center in Atlanta (Room D)

Audience: Middle School Content Area Teachers

<u>Date</u>	<u>Location</u>
January 21	Educational Technology Centers in GA
February 2	GaDOE Training Center in Atlanta (Class Cancelled)
February 3	GaDOE Training Center in Atlanta (Room D)

The New GPS for Physical Education

This ½ day course (AM Session 8:30 – 11:30 and PM Session 12:30 – 3:30) will address the new PE standards and elements. Specific examples will be provided for each of the six standards for each grade level. Additionally, clarification and explanation will be given on the importance of the vertical alignment for each standard. This training session will be recorded and posted on to our website for future use: www.GeorgiaStandards.Org.

Audience: K-12 PE Teachers and District Coordinators

<u>Date</u>	<u>Location</u>	<u>Grade</u>
October 20	Educational Technology Centers in GA	K-5
October 21	Educational Technology Centers in GA	6-8
October 22	Educational Technology Centers in GA	9-12
October 27	GaDOE Training Center in Atlanta (Room A)	K-5
