

The Lexile Framework for Reading in Action

Science: Chemistry

Standard SC2: Students will derive the relationship between single-celled and multi-celled organisms and the increasing complexity of systems.

Galileo Resources

Lexile Measure	Resource Title
630L	Reactions
990L	Experiment Tracks the Progress of A Chaotically Mixed Chemical Reaction
1020L	Antoine Lavoisier
1110L	Observing Individual Molecular Reactions
1260L	Synthetic Chemists Cast DNA as Molecular Dance Master
1280L	Analyzing Exhaust Gas Readings
